festival director's message

Welcome to the 6th Singapore International Choral Festival!

What started as a dream has culminated into a choral festival now into her sixth iteration. I am very thankful for the opportunity that you have given us, to learn with you as we grow and develop the choral scene hand in hand. We hope to continue to serve you with trust and sincerity as we build a bridge of love and joy across borders through choral music.

By the time you read this message, the winner of the 1st Asia Choral Grand Prix held in Manila, Philippines on 21 July 2019 would have already been announced. ACGP is a culmination of cross-border collaboration between Philippines, Indonesia and Singapore, and it is a testament that no matter the culture, race or creed, we can put aside our differences and work towards commonality. Whilst this is not representative of the world as a whole, through music, we must make the first step.

Please welcome this year's feature choir, the Colourful Stones Chorus of Shenzhen Shekou School conducted by Zhao Zhi from China, as we pass the stage to our first feature children's chorus. Next, we also welcome the participation of 85 choirs from all over the world, our biggest ever participation to date.

To my old friend and colleague Jennifer Tham, words cannot express my gratitude for your continual support, encouragement, invaluable advice and input for this festival. Six years on, thank you for being on this journey with us.

Last but not least, I want to give a very warm welcome to all our judges, participating choirs and their supporters. I hope you will have an enriching choral journey over the next four days in Singapore.

Let's make choral music the world's symbol of unity, together.

MS LIM AI HOOI

Festival Director
Singapore International Choral Festival

"MUSIC IS A BEAUTIFUL CREATION OF THE HEAVENS. IT IS ABOUT COMMUNITY, YOU AND ME. IT IS LOVE, NEITHER SELFISH NOR SELF-CENTERED. MUSIC BRINGS RECONCILIATION AND HEALING, PEACE AND JOY."

artistic director's message

"CHOIRS COME INTO FULL BLOOM IN THE GARDEN CITY THAT IS SINGAPORE. SHOWERED WITH LOVING CARE BY THEIR CONDUCTORS, EACH ONE COMES WITH A SONG OR TWO (OR FIVE) IN THEIR HEART AND A DANCE IN THEIR STEP."

Welcome to the 6th edition of the Singapore International Choral Festival.

Every summer, choirs come into full bloom in the Garden City that is Singapore. Nurtured with loving care by their conductors, each one comes with a song or two (or five) in their heart and a dance in their step. They come over land over sea, across oceans, bringing dreams of Gold. When they come on stage, we know that they have already won in all the things that matter: openness to difference, humanity towards others, faith in the strength of We. We, as conductors and jury members, salute you.

Welcome to the 6th edition of the Singapore International Choral Festival.

We hope that, wherever you are on your choral journey, there is something here for you in our bundle of concerts, competitive performances and workshops. The competitions bring purpose, drive, resilience; and is the fire that forges and strengthens teams. The workshops bring musical learning and artistic growth, and the realisation that judges are human, after all. The performances bring wonder and inspiration—wow, could we sing (like) that, please?

We wish you purpose, growth and wonder; and above all, the joy of being We, the singers of the _____
(insert name of your choir).

organiser's profile

Driven by a common passion in music and a heart for the community around us, SourceWerkz was set up under the direction of Ms Lim Ai Hooi together with choral director Mr Yong Chee Foon and two other choral enthusiasts in 2011 with the aim of providing quality music and choral education.

In association with Rave Group PL, we launched our first event, the Winter Choral Festival in Hong Kong Disneyland that features a festival helmed by an international panel of judges. The festival gives our participants a unique, multi-faceted experience of a lifetime via choral workshops with our judges and the Disney Performing Arts programme.

Since 2012, we collaborated with Dr. Paulo Lourenço to organise the annual Festival Coral de Verão with the support of EGEAC - a Lisbon municipality enterprise whose vision is to enhance and stimulate the arts and culture of the city of Lisbon. The festival is part of the annual Festas de Lisboa festivities, which attracts tourists from around the world, providing the perfect platform for our participating choirs to reach out to an international audience.

Over the past years, we have also brought clinicians into Singapore to work with our local choirs. These clinicians include Mrs Angie Johnson from the United States, Mr Werner Pfaff from Germany, Mr Kari Ala-Pöllänen from Finland and Mr Māris Sirmāis from Latvia. We will continue to bring in suitable clinicians as they bring with them fresh ideas and perspectives into Singapore's choral scene.

Always looking for opportunities to spread the message of love, peace and unity through choral music, we have conceptualised and are the organisers of the Singapore International Choral Festival. With over 200 choirs and more than 10,000 participants since our first edition, we are truly humbled by the response of this inaugural festival and are looking to cement this event as a milestone in the Singapore choral and arts calendar.

Rave Group Int'l Pte Ltd, an events and destination company, incorporated in 2004 with excellent support from its industry partners, to tailor each fully-integrated programme specifically to our client's objectives and desire results.

We "LIVE TO INSPIRE" represents our commitment in providing services and experiences based on inspirations that enrich life journeys - enhancing academic knowledge advancement.

We aim to inspire our clients and to broaden their horizons. Through relevance, collaboration, innovation and development, we Live to Inspire. It is by this commitment combined with tremendous passion that we promise you a unique experience in a lifetime.

Since 2009, Rave Group Int'l produced the Winter Band Festival™, Winter Choral Festival™, Asia Youth Dance™ and the Winter Chinese Orchestra Festival™ which has brought together more than 8,000 youth performers through the years.

Since 2008, as the event secretariat appointed by the Wind Bands Association of Singapore, we successfully managed three Singapore International Band Festivals that attracted more than 70 participating ensembles in 2012 from Singapore, Hong Kong, Malaysia, Thailand and China. In the same year, we are appointed by the Band Directors' Association (Singapore) as their event secretariat for the 17th Conference of the Asia Pacific Band Directors' Association participated by more than 2,000 musicians from the Asia Pacific region attending workshops, meetings and performances throughout the week.

LIM AI HOOI
Singapore

Ai Hooi's philosophy for choral music and teaching stems from her view that a fulfilling musical journey is one that is filled with sincerity, love and excellence. She uses the creation of music as a platform to share and infuse her values and beliefs in her singers, and inspires them to use the beauty of music to craft experiences that touch the hearts of the audience.

Ai Hooi actively contributes to the growth of the local choral scene, through nurturing younger choral conductors and choristers. On top of conducting several local secondary and junior college choirs, Ai Hooi established ONE Chamber Choir, a young adult choir. ONE entered into a partnership with the Song Lovers Choral Society in 2010 (formerly known as Lee Howe Choral Society), to form its youth wing. In 2017, the choir achieved the 2nd Prize of the Mixed Choirs category at the 15th International Chamber Choir Competition Marktoberdorf 2017, as well as the Special Prize of the Carl-Orff-Stiftung Diessan am Ammersee for the best interpretation of a choral work premiered at the competition for "The Emigrant" by Wolfram Buchenberg. Recently, the choir took part in the 10th World Choir Games in Tshwane, South Africa and achieved Gold in all three categories they competed in, including Champion of the World Choir Games in the Chamber Choir Category.

She has also been the conductor of the Hwa Chong Institution Choir since 2000 which has achieved numerous accolades over the years, including emerging Champion in the Mixed Choir category at the 5th World Choir Games 2008, achieving the title Absolute Winner (top choir across categories) at the Festival of Songs Olomouc, and the Prix du public (Public prize) at the 2010 Florilège vocal de Tour.

Ai Hooi also co-founded Sourcewerkz PL to further her calling to teach, touch and transform the larger choral community and its audience. To date, Sourcewerkz has organised the Winter Choral Festival in Hong Kong since 2010 and Festival Coros de Verão in Lisbon since 2012, as well as various workshops with international choral clinicians. In 2014, she conceptualised and directed the 1st Singapore International Choral Festival and since then, SICF has played host to over 10,000 choristers and is now in her sixth iteration.

She has taught choral conducting at the Nanyang Academy of Fine Arts and given workshops and short courses to conductors at home, in Japan and Indonesia. She is on faculty at the Kodaly Seminar Asia where she teaches conducting and leads the Morning Sing. She recently served on jury at the 7th World Choir Games (Cincinnati, USA) and the 11th China International Choral Festival (Beijing, China).

Jennifer is an inaugural recipient of Young Artist (Music) Award, given by the National Arts Council (NAC) and serves on various advisory panels for the NAC and the Ministry of Education, Singapore. PSM JUSTICIA ACCORDEO

In terms of terminology, the name 'Justicia Accordeo' derived from two words, 'Justicia' which means 'justice' and 'Accordeo' which means 'harmony'. It was named as such since arts, specifically vocal arts, is not limited to certain people, and this means that students of law are eligible as well in partaking in vocal arts during their spare time as students. Justicia Accordeo was established in 2001, pioneered by two law students, i.e. Ronny J Suhatri and Taufik. It was initially established to meet the needs for choir at every conferment ceremony of the Faculty of Law. At first, members of Justicia Accordeo were students who could sing. At this stage, Justicia Accordeo was just a students' community. Hence, it's regular performance was at the faculty's conferment ceremony.

They have performed to many in the Singapore heartlands, moving audiences with their passion and cultivating a spirit of community bonding and enjoyment through music-making.

They have also participated in Singapore International Choral Festival 2017 and was awarded a Silver Diploma award. They were also invited to sing at the opening ceremony at the Choral Convention 2018 organised by the Choral Director's Association (Singapore) and the latest event was to sing at Garden by The Bay (Christmas Wonderland) in 2018.

The choir is made up of children, youth and adults and this special cohesion of voices has created a choral sound that is unique to them making the group the only independent secular choir in Singapore comprising members from all walks of life, across a diverse age.

ST. GABRIEL'S VOCAL ENSEMBLE

FLORA YEE

Conductor

Singapore

The St. Gabriel's Secondary School's Vocal Ensemble was formed in 2003 with the aid of Mr James Lee and Ms Flora Yee. Their instructors, Ms Flora Yee and Ms Ho Lian Ian have helped put the Ensemble through many Sing-Out concerts and public performances, including the biennial concerts with their own alumni in "Vocal Vibes". The Ensemble has many opportunities in learning journeys and overseas interschool cultural exchanges. The exposure to public performances and the rigor of international competitions have helped honed their singing techniques and enhanced the joy in learning for their choristers. As one of the younger participating groups in SYF Central Judging for Choirs, the Ensemble has managed to clinch the SYF Gold Awards in 2007, 2009 and 2011. The Ensemble was awarded the SYF Distinction in 2013 & 2015, and Accomplishment in 2017 & 2019, under the new SYF judging system.

WEST GROVE CHORUS

ROSE LOH

Conductor

Singapore

The West Grove Chorus, set up since 2002, consists of members ranging from age 8 to 12. The choir aims to foster music appreciation, develop good singing techniques and musicality, and to nurture confidence in pupils while inculcating discipline and teamwork through different performance settings. Presently under the choir instructress Ms Rose Loh, the choir has, besides performing for school events, taken part on competitive platforms- SYF, in community events at the Garden by the Bay and for National Day, as well as in external choir accreditation examinations - LCM Choir Ensemble.

FU SHIHUA

Conductor

Singapore

WESTWOOD PRIMARY SCHOOL CHOIR

An aspiring and vibrant choir, Westwood Primary School's choir was established in 2014. The choir shares a united aspiration; to bring joy to the community and envision themselves to perform on greater platforms. Through their passion & commitment, they attained a Certificate of Accomplishment for the Singapore Youth Festival Arts Presentation in 2016 and 2018.

Westwood Primary School is honoured to have Ms Fu Shihua as their dearest conductress with the Westwoodian choir. Through her guidance and dedication, the choir has continually made progress with opportunities to participate in choir exchange programmes and perform for members of the public. These challenges the choir to continually seek to improve themselves and draw closer to their vision.

KMITL CHORUS

KMITL Chorus (King Mongkut's Institute of Technology Ladkrabang Choir) was established in 2012. Since then, KMITL Chorus has been given various opportunities to deliver opening performances in many special occasions including the KMITL's International Conferences, as well as has been annually invited to perform in Thailand Choral Festival.

Under the baton of Kajornsak Kittimathaveenan, a music director, KMITL Chorus is gaining high reputation from the public and Thai choral communities and can be considered one of the most well-known choirs in Thailand.

ANGILA TAN

Conductor

Singapore

ZHENGHUA PRIMARY SCHOOL CHOIR

The Zhenghua Primary School is part of the performing arts co-curricular activities offered in the school. The choristers meet weekly to rehearse and make music together as a choral group, including exchanges with regional singing groups to share their passion for choral music. Apart from celebratory events held within the school, the choir made numerous appearances in community concerts as well as special invitations to organisations beyond.

**THANAWUT
SRIWATTANA**

Conductor

Thailand

SIAM RUBY WOMEN CHOIR

Siam Ruby Women Choir consists of women between the ages of 50 - 70 who enjoy singing and the discipline of working together to achieve a common goal. It is a brand new choir established in March 2019 with singers coming from different groups under the leadership of the conductor, Mr. Thanawut Sriwattana, who has been working with seniors teaching them singing and music, to give them the experience of different, more serious, stages many singers have never had the opportunity to do so. The group may not attain major awards but the enjoyment and experience are already our success.

CHINESE ART
AND COUTURE

15 June to
15 September 2019

For the first time, the Asian Civilisations Museum presents a one-of-a-kind dialogue between historical and contemporary design with *Guo Pei: Chinese Art and Couture*.

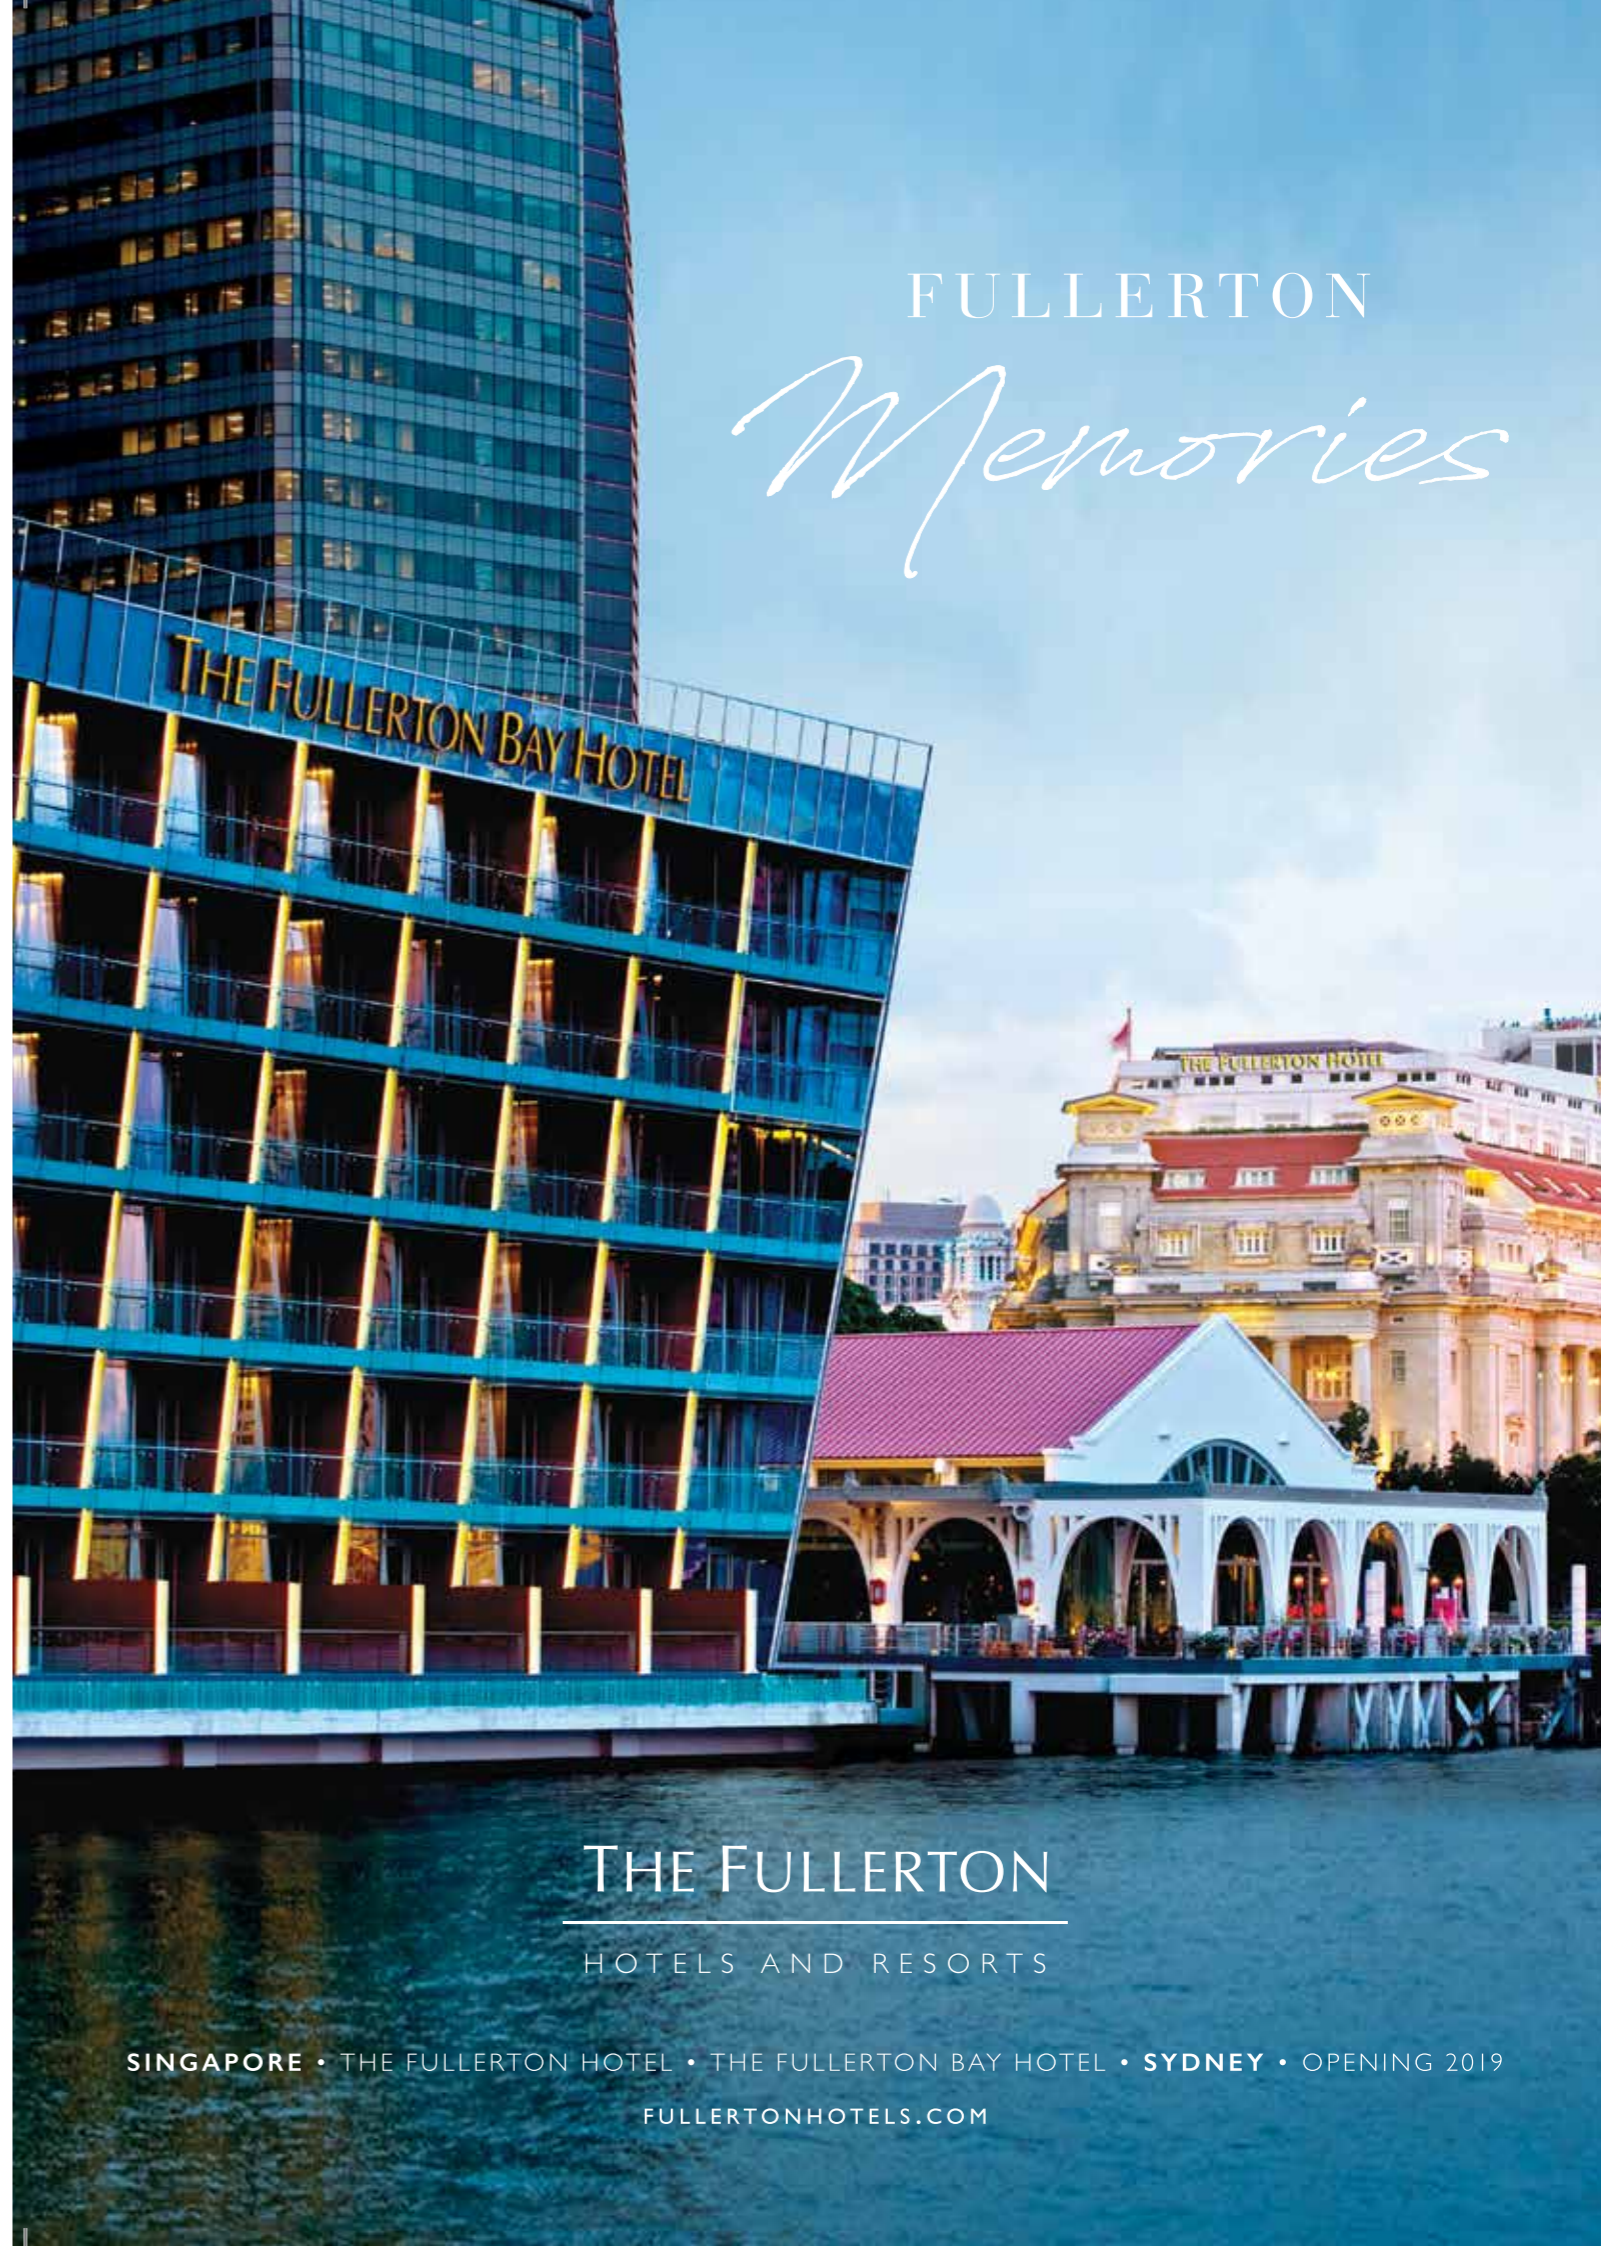

This special exhibition juxtaposes embroidered masterworks by China's foremost couturière with Chinese artworks from the museum's collections. By revealing the historical threads that weave through Guo Pei's creations, the ACM objects invite you to contemplate how she references and reimagines Chinese art and traditions for the world today.
